### **Alaska USA honored with community service award**

**Oak Harbor, Washington** – The Oak Harbor Chamber of Commerce recently awarded Alaska USA Federal Credit Union with the Business Community Service Award at its annual banquet on February 20.

This award by the Chamber recognizes a local business that has the most significant impact on the community through its involvement in service groups, community events, contributions, and donations.

Alaska USA received the award in recognition of its commitment to a number of 2009 community events on Whidbey Island, including Back to the Drive-In Food Drive, Christmas in July Food Drive, a military appreciation picnic, and Holland Happening. The credit union's financial education programs also benefited the U.S. Navy and local area schools.
